Well, another great function weekend as usual, we didn't let the rain bring us down! Thanks to everyone who pitched in and made it fun. I hope everyone was able to stick around for the DJ after dinner, he was great! We plan on having entertainment for future functions for everyone to enjoy!

*(Thanks in advance to all who volunteered their time.)*

We found the meat cleaver!!!! Bill is a happy camper. Also, I recently noticed a red cap in the LCYC cabinet. I'm not sure who mentioned it to me, but if you're around come see me so I can show you the cap and see if it's yours. Still not sure if the prescription sun glasses were found.

**C-DOCK:** For any of us who attended Mike Steele's Canvas and Upholstery Classes, it was well worth the time. Even if you are not planning to do the work yourself, you left with the knowledge of what goes into doing a good job. For those of us that have seen Mike's work or were fortunate enough to actually have him do the work, it is second to none and will stand the test of weather and time. One of the best things about his classes, aside from his patience with us and answering all of our questions, was that most of the work on our boats can be done with a basic sewing machine. In fact, the sewing was second to the actual planning, patterning and proper layout of the fabrics prior to ever sewing a stitch. Thanks very much Mike for taking your time to pass some of those skills on to us! Steve Thompson "C" Dock

**WEST MARINE/BOAT US MEMBERSHIP:** If you are joining Boat US/West Marine use the Lodge Creek Yacht **Discount No. GA83880Y** and your membership will be half price.
