

## August 2013 NEWSLETTER

MESSAGE FROM OUR COMMODORE - GEORGE T. UTT

Well I think it is safe to say July 20th's dock crawl was a major success! I was blown away with all the great food and flair brought forth by all the docks. This is an event I have really missed in the past few years, and was glad to see it back and better than ever! Don't forget August is A dock's turn to WOW us with their 2013 function. We are working on some very exciting ideas for this year's COW, I would appreciate any ideas you have. Always remember we are all in this thing together, and past experiences, ideas, comments, concerns are always welcome. I look forward to seeing everyone in August!

Your Humble Commodore

## MESSAGE FROM OUR VICE COMMODORE - STEVE THOMPSON

Reflecting back on this season and the activities at LCYC, made me think about a few things and all of you that make it possible to have such a great club. The entire Board of Directors to start with gives their time and effort not just at functions but planning and record keeping and this newsletter as well as a host of other items to keep our club running smooth. If you have not visited the Ships Store lately, please do so at functions or contact Cathy Horne for some of the nicest boating attire you will ever come across at excellent prices. Cathy can also customize items to your boat name as well as certain logos that just look fantastic. A very special thanks goes out to Eric Amato who is responsible for that great LCYC 2014 Calendar Cathy has for sale in the store that featured as many boats and people that he was able to photograph. Thanks to Bill and Theresa Sullivan and everyone who assisted, their Pig Roast and 4th of July Fireworks sold well over 160 tickets! Worth mentioning is the Fireworks Display that lasted for more than 1 hour! We would all be hard pressed to find food as good as that and fireworks that lasted that long for 10.00 per ticket. Hats off to you Theresa and Bill for making the evening special for all who attended. Despite the hot, humid and rainy weather, each and every dock did the "crawl" in style and another great evening was had by all. Thank You Fred Olverson for the New Coolers that look great and work better. JT our Treasurer at every meeting seems to have new member applications thanks to all of you who are reaching out, welcoming and growing our LCYC Family!

Way to go everyone!

Steve Thompson

## MESSAGE FROM OUR PAST COMMODORE - THERESA SULLIVAN

### ATTENTION LCYC MEMBERS

Labor Day weekend is quickly approaching. As I mentioned in the past, Theresa and I would like to put together a "Bull Roast" for our members of the LCYC on August 31st. We are not asking for donations. We will supply the beef, all we ask if for everyone to supply a side dish and/or dessert and help with the non-alcoholic beverages. You do need to bring your own "beverages." (Wink wink)

No appetizers are necessary since happy hour is gonna be all day long. Just come up to the pavilion and listen to music and hang out. It's just all of us members having a good time and good food. We hope to have dinner by 6:00 but as you all know, you can't rush the "cooker guy" it's done when it's done. :)

If you could please e-mail Theresa at [theresasullivan6188@comcast.net](mailto:theresasullivan6188@comcast.net) to let us know if you will be there that weekend it would be greatly appreciated so we could get somewhat of a head count.

Please come and join us!

Bill and Theresa Sullivan

## MESSAGE FROM OUR SECRETARY - ROB VAN ARSDALE

I'd like to send a special shout out to Cathy Horne with all her hard work with the Ship Store. She has added some new and exciting apparel to the mix. It takes a lot of work, not only to "set up shop" on the dock, but even more time to keep accurate inventory. Cathy, also takes special orders and has a HUGE catalogue if you would like something not in her current inventory.

I will be making some changes to our email format as well as the newsletter. Please provide many any feedback and or changes you would like to see.

We have several new members, and I will be updating the roster. Please see our webpage [www.lodgecreekyachtclub.com](http://www.lodgecreekyachtclub.com) for the latest version of the roster. The roster can be found under the members section. The password for opening the roster is --- rockfish2012

Please review your information in the roster. I am in the process of creating a database to better track member's information. Any changes or errors please shoot me an email so I can update all your information.

**MESSAGE FROM OUR E-DOCK DIRECTOR: BILL SULLIVAN**

To our LCYC members:

We on E dock are sending out this early note to inform you of a possible change in the venue for our E Dock Function on September 21st. The current "state of affairs" concerning the availability and cost of crabs is causing enough concern with us that we will be considering something along the lines of a Low Country Boil for our function.

For those of you not familiar with this "offering", the Low Country Boil is a delicious combination of shrimp, sausage, potatoes, onions, corn-on-cob and most anything else we may have a desire (and can afford) to throw in there. It has rarely (if ever) met with anything but "YUM"!

In the unlikely event that the "state of affairs" changes, we will let the membership know. We are sorry for this unavoidable change and hope that you will come on out and enjoy the great food and fellowship of your Yacht Club members.

We thank you for your understanding.....

Bill

E-dock director
