

JULY 2012 NEWSLETTER

Message from our Commodore - Theresa Sullivan

Well, once again the pig roast and fireworks was a great success. We can't thank all of you enough for chipping in for everything and making such great food. I could not believe the turnout we had! Here's looking forward to next year!

With the money we had left over from the pig roast and fireworks we made a donation to Smith Point Sea Rescue from the whole Marina.

As a reminder, below is the new Lodge Creek Yacht Club website.

Also, REMEMBER the annual Pool Party a/k/a Dock Crawl is still on for July 21st. Remember it's a covered dish event. Hopefully we'll have enjoyable weather that day and not a heat wave. I don't like heat waves!!!!!!

LOST ITEMS

At the Pig Roast a few things were lost. If you happen to come across any of the below items please bring them to the front office, they are aware of the missing items:

Heavy stainless steel meat cleaver (used by our cook Bill Sullivan)

A pair of prescription sun glasses

A red cap

3rd Annual Point Lookout Bluegrass Cruise!!!
August 17-19, 2012

It's still a couple of months away, but we are already excited about it! Gas prices are up this year and are probably putting a damper on everyone's travel plans. But, with that being said, whether you can make it over on Friday or wait till Saturday, it really is worth the trip over. Point Lookout is a well run marina and their amenities are great-makes for a great stay.

Point Lookout puts on a really great event, with BBQ dinner provided in the cost of your ticket for the Bluegrass show.

On an up note, Sam has promised to make every effort to put all Lodge Creek boats on the same dock together this year, similar to the first year. Even you made it last year, hope to see you there again, if you passed last year, don't miss out again. Sign-up sheet is in the club house. Lookin' forward to seeing you there.

SPECIAL EVENT NOTICE
LODGE CREEK YACHT CLUB and THE DOWN SYNDROME ASSOC. OF
NORTHERN VA
A DAY AT THE RIVAH - AUGUST 25, 2012
(Rain date September 8, 2012)

We all have so much to be thankful for:

We are all lucky, especially lucky to have our health. Lucky to not be faced with a condition that holds us back every day; one that causes people to stop and look and look at us because we are different.

Let's use our abilities to give an opportunity to someone, even if just for a day, that they

might otherwise never have.

We all share a common love, the water... take the time and give a day to share that with a person with special needs. After all, if we were unable to do it on our own anymore, wouldn't we want someone to do the same for us?
