REMINDER: C-DOCK FUNCTION - JUNE 9th - FAMILY FEUD NIGHT.

I have updated the Roster on June 3rd and have sent it to everyone. Rob will also be putting it on the website. As always, please make sure your information is correct. And if anything changes at any time during the year, please let me know so I can update it as well. I still have Membership Cards to hand out. If you are at the function please be sure to see me.

C-Docker Margie Davenport has shared another very interesting article. Thanks Margie and keep them coming!

E-Docker Bobby Andrade will be in charge of the Annual Angler Fishing Contest this year. Please remember to sign up your children and teens can participate as well! We hope we have a great turn out for this event! Sign up sheets will be posted on the Club House bulletin board.

Dave Teets and Erik Amato had a great turnout for the boater education class and vessel inspections, 22 people attended the class and they inspected 9 boats on Sunday in the rain! ☺

Member input for our monthly newsletter is greatly appreciated and makes for great reading. So anytime you have something to share please email me so I can incorporate it into the newsletter.

MESSAGE FROM OUR COMMODORE: BILL WARD

A lot is beginning to happen in the upcoming months of June, July and August. June 9th should provide a lot of laughter and fun as the docks battle it out with the family feud. July is a variety of events and is sponsored by the Sullivans of E-Dock. Be sure to respond to your Evite on or before June 23rd for this event that ends in a spectacular fireworks display. Again, this year we have a bluegrass band scheduled for the 11th of August. Schedule of times to follow and other clubs will be invited to attend. Plan to attend ahead on your calendars to join in on these events.

MESSAGE FROM OUR VICE COMMODORE: BARBARA WOODBURN

If you missed our first dock function of the year you missed a great one! An evening of food, drink and spirited betting proved to be the order of business as B-Dock put together a fun, fun event. Looking forward to "Family Feud, Olverson Style" on June 9th. There are a number of activities coming up around the docks, the pool is open and it's time to get out on the water. I know I am ready! So get out and get involved in YOUR yacht club. Please remember to boat in a safe and courteous manner when out and about, set the example, don't be the example! Come on summer, we have been waiting for you!

MESSAGE FROM OUR TREASURER: JAY NOVAK

Treasurer's Report June 2018

We have survived our first dock function of the year and all is well on the financial side. Thanks to B-Dock for putting a very fun and unique function while still being mindful of their budget. In fact, the Olverson's Cup proceeds netted \$253 for the Club which is far better than a usual 50/50 drawing. The bar has been set for the other docks in more ways than one. Great Job B-Dock! Going into our June function, the LCYC will have just over \$13,000 in its checking account which is better off than we have been for past the several few years. I am confident that our Dock Directors can keep things in check going forward so we will be financially solid at the end of the year. Like you, I am eagerly awaiting the next function. See You There!

MESSAGE FROM OUR FLEET CAPTAIN: ROBERT VAN ARSDALE

The 2018 Cobb Island Summer Kickoff starts this Friday. Morning Star and Miss Smitten will be there to represent LCYC. Over 30 boats will be participating from various clubs in the PRYCA. The Occoquan Yacht Club, Mount Vernon Yacht Club, Westmorland Yacht Associations, Aquia Harbor Yacht Club, Cobb Island Yacht Club and Mid-Potomac Sail and Power Squadron will all be represented. I'll try to get some pictures for next month's newsletter.

I'd also like to setup a "Cruise To Nowhere" sometime in June. This will be an anchor out, someplace fairly close to Olverson's. This will allow members who don't have vessels with adequate overnight ground tackle to attend. If you are interested, please contact me at (rjva@comcast.net).

PRYCA Float – In: Coles Point July 20th – 22nd. Please see the Fleet Captain (Miss Smitten C-15) to register for this event. I will be coordinating your slip needs directly with the club/marina.

MESSAGE FROM OUR B-DOCK DIRECTOR: BOB WOODBURN

Thanks to everyone on B-Dock for working so hard to make the first ever "Olversons Cup" a success! Thanks also to Bill Sullivan for grilling the steaks. We hope everyone had a great time, we know we did in providing an evening of fun and fellowship for the Yacht Club! Congratulations to all of our winners and especially to E-Dock, proud owners of the Olverson Cup as a result of a spirited run by none other than "Leaping Lizard" who crossed the line just ahead of C-Biscuit and HerAss to take the cup. Time to toss off those lines and get out on the rivah! See you out there!

MESSAGE FROM OUR C-DOCK DIRECTOR: GERI MCINERNEY

We hope that you all have received your "evite" for the upcoming C-Dock Family Feud - Olverson's Edition on Saturday, June 9. If you haven't done so already, it is simple to respond, just check YES if you are coming and

indicate the number of people who are attending with you or, if you can't attend just check NO (you will be missed). This will help us plan much more efficiently. If you have not received the evite or are having trouble responding, please don't hesitate to let Theresa or me (gerimcva@gmail.com) know, we will be happy to help you with it.

Also, we have asked the dock directors of B, D and E to put together a family of 5 to compete (C-Dock will have a family also). The docks can have fun with creative names and occupations for their family. If anyone from A-Dock would like to be on a team, please talk to one of the other dock directors, you will be welcome to join in. No one other than me and our famous host Richard Dalton (Dave Teets) will see to any of the questions in advance of each of these high stake games :) so that it will be fun and fair.

Here is how the games will be played -

The C-Dock family will play against the E-Dock family

The B-Dock family will play against the D-Dock family

The winners of these games will play each other to determine the Grand Prize Winning Family!!!!

Please see the attached flyer for more information. Hope you will enjoy this live version of a favorite TV show.

Looking forward to seeing you there.

Geri McInerney, C-Dock Director

Health officials in Calvert County warn of flesh-eating bacteria risk in Chesapeake Bay

CALVERT COUNTY, Md. (WJLA) – Officials with the Calvert County Health Department have identified five cases of flesh-eating bacteria infections in the Chesapeake Bay so far this summer, causing some residents to worry about contracting the bacteria while visiting local beaches.

The bacteria, called vibrio, is a saltwater bacteria, some varieties of which can cause life-threatening skin and blood infections and intestinal illnesses, according to the [Chesapeake Bay Foundation](#) in a newly released report.

Due to the increase in vibrio cases, health officials are warning people about the dangers of the bacteria as they continue to test the waters for the presence of vibrio.

Just last month, a Stafford, Va. man almost lost his leg after he swam in the Potomac River and contracted the bacteria through a scratch on his leg.

The number of cases in Maryland reached a 10-year high, with 57 reported cases. There have been 27 reported cases in Virginia so far this year, compared to eight last year.

The Chesapeake Bay Foundation recommends those who plan to visit the bay or its tributaries take the following precautions: avoiding swimming for 48 hours after a heavy rainstorm in the area, avoiding blue-green algae growths in the water, showering after swimming or boating, avoiding water contact if one has open sores, checking government advisors for public beaches and fishing, and having drinking water tested in rural areas.

Dr. Larry Polsky, Calvert County health officer, tells ABC 7 News that people over 60 and those with compromised immune systems are at higher risk. If you get a cut, he says to wash it with soap and water as soon as possible. If you notice redness, swelling or develop a fever, go to the emergency room.
