

## June 2013 NEWSLETTER

MESSAGE FROM OUR COMMODORE - GEORGE T. UTT

June has arrived and with it, warmer temperatures. It is finally feeling like boating weather!

C Dock's annual function is this weekend and I'm sure it will be a blast if the past speaks for the future. I hear rumors that there may be a "special" appearance for the kids. Make sure you join us to see who?

Many of you are planning boating trips for the summer months. It is great to hear and see people getting out there on the water. Our Fleet Captain has some great trips lined up this year, including a "Cruise to Nowhere" at the end of the month. See Bill Weber for more information.

Also, don't forget to see Bill & Theresa Sullivan about the July "Pig Pick'n". Please get your reservation to them sooner rather than later to better assist them with planning. I know we're in!

A big congratulations to anyone who is celebrating a graduation this June, whether it be from grad school, high school or kindergarten, all milestones to be proud of!

See you on the docks.....

Your humble Commodore-  
George

## MESSAGE FROM OUR VICE COMMODORE - STEVE THOMPSON

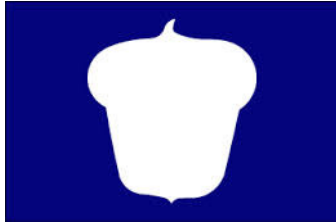

Our Season is well under way and the B Dock Function was an overwhelming success! The idea of dinner and a movie was great and the food as you all know was simply outstanding. Hats off to B Dock for a great evening provided for those who were able to come. Memorial Day Weekend was its usual mix of unpredictable weather and this time the water levels remained dangerously low for any deep draft vessel. Our Fleet Captain Bill Weber took a group of Boats on the clubs first cruise this year to Tall Timbers and a good time was had by all who were able to get there! Many thanks to all of you who radioed reports back on water depth getting into Tall Timbers so we could all plan accordingly.

It's no secret to many of us who have been involved in boating for a long time that OLCM and LCYC is just a great place to be and both represent a unique value for a quality recreational activity. When you meet a new boater on your dock after they have had a chance to settle in, please extend an invitation to them to become a part of LCYC. It remains the best value of any yacht club on the Bay and joining Rivers. Now I realize we may be a little biased in this regard, but where for a small one time initiation fee and 85.00 per year dues can you find a yacht club as friendly and active as this one with great meals included! Please take the time to pass this on and grow our LCYC Family. Speaking of Club Activities, our C Dock function is coming up on June 8th. It promises to be a good one along with Russ the DJ who plays well to everyone, takes requests and simply makes it a fun evening for everyone!

See you there!  
Steve Thompson

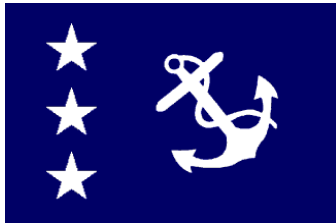

## MESSAGE FROM OUR TREASURER – JT TAYLOR

Many thanks to the members of B Dock for their OUTSTANDING function this month!! It was a great affair that was enjoyed by all; however, this is just my “lead-in” for congratulating them on delivering a GREAT function....at \$500.00 under budget!!! By far, the best seen in my tenure as Treasurer! It’s hard to always have a GREAT function; it’s even harder to do it WAY under budget. Once again, my thanks to all the B Dock folks for a great job!

J.T. Taylor  
LCYC Treasurer

## MESSAGE FROM OUR PAST COMMODORE - THERESA SULLIVAN

I hope everyone enjoyed their Memorial Day weekend. The weather wasn't so great but it was still nice to be at the marina with great friends.

B-Dock's function was a great hit. The food was awesome and I loved the movie. Rumor has it that we should have a "movie night" more often. Everyone seemed to enjoy it. Y'all did a great job!!!!

I will have the tickets with me for the July 6th Pig Roast at the C-Dock Function on June 8th, so please find me if you would like to attend the pig roast and fireworks. The tickets are \$10 per person, kids 15 and under are free with a paying adult.

See you soon!

Theresa Sullivan  
Past Commodore

## MESSAGE FROM OUR SECRETARY - ROB VAN ARSDALE

First off, I'd like to thank Bill Weber for organizing the wonderful cruise to Tall Timbers. Those that could make it through the fairway had a great time. If you recall, that weekend we were suffering from sustained NW winds. It seemed that all the water in the river was being blown out to the ocean! We only had 2.5 feet under the boat during our passage into Tall Timbers. The "Perseverance" (Steve and Kathie Thompson) would have never made it through. Thanks to the "Day Dreamer" (Erik & Jeanette Amato) for escorting the "Perseverance" to Denton point for the weekend. They had a great time overall. These winds held steady from Thursday to Saturday, so the trip was cut a bit short. The "American Dream" (Bruce & Yolanda Williamson), "Maybe Later" (Bill & Ellen Weber), "Miss Smitten" (Rob and Diana Van Arsdale), "1ST a Fence" (John Reedy & Paula Allen), and "Rose Marie" (Steven & Linda Dameron) all made it through and had a great time! Mr. Dameron squeezed the "Rose Marie" past the burning wreckage for a great nighttime spectacle. Tall Timbers annual boat burn is certainly something everyone should see at least once.

Apologies for any confusion regarding the 2013 event schedule reported during our last newsletter. I have confirmed with the bridge that the schedule is final and no changes will be made.

Thanks

### Pineapple Delight Dessert

#### Ingredients:

- 2 cups graham cracker crumbs
- 1/2 cup butter or margarine, melted
- 1/2 cup butter or margarine, softened
- 1 and 1/2 cups icing sugar
- 1 egg
- 1 tsp. vanilla
- 1 14oz. can crushed pineapple
- 2 cups whipped cream (prepared from a small carton of whipping cream, Cool Whip, or Dream Whip)

#### Instructions:

Preheat the oven to 325 degrees F and place rack in the center of the oven.

In a medium bowl, combine the graham cracker crumbs and 1/2 cup melted butter/margarine. Press the mixture into an 8x8" or 9x9" baking pan. Bake for 10 minutes, then cool completely on a wire rack.

In a separate bowl, mix together the 1/2 cup softened butter/margarine, icing sugar, egg, and vanilla with an electric mixer until smooth. Spread this mixture over the crust once it has completely cooled. Bake for 15 minutes, then remove and cool completely on a wire rack.

Prepare your whipped cream of choice. If using a carton of whipping cream, beat the cream in a medium bowl until it is thick and stiff. You may want to add 2 Tbsp. of white sugar and 1 tsp. vanilla extract for sweetness and flavor. Drain the juice from the canned crushed pineapple. Mix the whipped cream and pineapple together and spread evenly over top of the cooled butter filling.

Garnish the dessert with a sprinkle of graham cracker crumbs. Keep chilled and serve cold.

Well, it seems that the big boys/cows have started their long migration to colder water. Pete has been teaching the white perch a lesson. Remember, you don't have to go far for them; there are plenty under your boat at the dock!!! We are getting good reports of spot and croaker moving in as well.
