## MESSAGE FROM OUR FLEET CAPTAIN – BILL WEBER

All,

We had a great cruise to Solomon's Island on Memorial Day weekend. There were 7 boats made the 34 nm trip to Spring Cove Marina and maybe for the first time sail boats outnumbered the power boats, 4 to 3. Total number of members and guests that made the trip was 19. Most had a little bumpy trip on the way there; however the ride home on Memorial Day was much better. As always, those that visited the Tiki Bar had a good time as well.

I mentioned during the B dock function that I was planning a cruise to Colonial Beach for the Potomac River Days event that is going on June 13-14. After doing more research I do not think this will be a worthwhile destination for a LCYC cruise for several reasons. This is not a 3 day weekend and the distance to Colonial Beach is 31nm making it an overnight and return without much time for the effort. There are additional difficulties with deep draft boats entering Monroe Bay and getting to a marina that is close distance to the boardwalk area. At this point this will not be a LCYC cruise. I will have details about another cruise in July sometime after the 4th.

For anyone looking for a close place to go overnight, Coles Point Marina is 13 nm from OLCM. The Landings Restaurant there at the marina has live music on Friday and Saturday evenings, as well as Sunday afternoons. This maybe a great location for a pop up short notice cruise on a nice weather weekend.

If anyone has ideas for a cruise destination or other cruise ideas, please feel free to contact me directly at [Maybelater3870@aol.com](mailto:Maybelater3870@aol.com) or 540.272.6194

**MESSAGE FROM OUR B-DOCK DIRECTOR: RICH VERDILLO**

B Dock would like to thank all of you that attended our dinner and a movie function. Despite the rain that made it hard to hear the movie, we hope you had a good time. I also want to thank my Worker B's for all they did to make it a success. Now we are kicking back and looking forward to enjoying the fruits of everyone else's labor!

Word on the street is that you should not leave your boat unattended for a long period of time. Seems that there is a clean-up crew that will come around and remove some of the clutter on board, just like they did to Jon Hill while he is still recovering from knee problems in FLA.!! Look at what a good job they did!!!!!!!!!!!!!!

Thank You

Rich
