

## May 2016 Newsletter

**COMMODORE: ED REST**

---

Warm wishes extended to you all, for it is 85 in Callao as I am typing, and just the start of a great summer to come at LCYC. Our boating season opened with a bang, or should I say BOOM, thanks to Boolie and his cannon. The first function, covered dish supper, had a great turn out! It was nice to sample all the wonderful dishes!! Great fun was had by all. Thanks to all that participated in Freddie's surprise "Ladies Dance" to celebrate his 50+ Birthday. A big thank you to Dave Teets, Theresa and Bill, my wife Martha and all that helped with the breakfast and Flag Raising and Blessing of the Fleet ceremony. It was the biggest turnout in years with over fifty participants. Hopefully this is the new trend for all the functions to come this summer. Watch your emails and bulletin board on your dock. Some dates have changed and we want to be sure everyone is aware. I am looking forward to seeing you all at the friendliest marina on the East Coast.

Ed

**VICE-COMMODORE: BILL WEBER**

---

Hello everyone,

I hope everyone is ready for a busy summer on the water. The bridge this year has a lot of events scheduled to include a cruise almost every month. Many of them close by so they don't take a lot of time or gallons to get there. Last month I mention that Tim's Rivershore Restaurant is opening its 3rd Potomac River location at Coles Point marina. Well that occurred on Sunday May 1st was their first day open. Coles Point is only 13 NM from OLCM and it will be a great location to go to for an afternoon or overnight stay. I look forward to a good season and seeing you out on the water.

Bill Weber, Vice Commodore

### Treasurer's Report

As promised in the last Newsletter, I presented a balanced budget to the Bridge at our April 16<sup>th</sup> meeting and it was approved as presented. Since that time we have had one function which was the "Pot Luck Dinner & Blessing of the Fleet". This function came in under budget on the expense side and generated \$86 from the 50/50. Thanks to all the members that helped make this function such a success. More importantly, we also had four new members join the Yacht Club that weekend. Bringing in new members is probably the most important thing we can do to maintain a viable club and we are off to a great start this year. At the end of April, LCYC had \$12,841.49 in its checking account so we are right where we need to be going into summer. I am really looking forward to the rest of functions this year. We have a great group of Dock Directors who will do their best to provide our Members with some memorable functions. I hope to see you all May 14<sup>th</sup>.

Jay Novak, Treasurer

## **FLEET CAPTAIN: DAVE TEETS**

---

The Shakedown Cruise this past weekend was a success for those who ventured the bad weather. We went to Dennis Point, where we were met by an excited staff! They helped us tie up, and we were treated to a fantastic lunch menu. (I had the crab cake meal, with fresh crab!! - WOW!)

Our first official cruise has been booked for Coles Point Marina, where we will enjoy FLOATING DOCKS and a newly renovated restaurant under the famous management of "Tim's", which is legendary in the norther part of the Potomac River. See the attached Notice for details of this trip.

We have many more trips and outings planned for the season, to include destinations that we have not been to for a long time! We have a couple of "raft ups" planned and for those who have never participated in a "raft-up", they are a lot of fun—more details to come! There is the famous St. Mary's concert cruise which will be coming in July, and the FIRST ANNUAL Lodge Creek Yacht Club SAIL REGATTA which will be coming in September.

We have an exciting season and our goal is to "get you to untie the lines"!!! You have a boat, now let's all get our VESSEL SAFETY CHECKS and take the darn things out of the slip!!!!

Don't forget to sign up for the first outing at Coles Point---sign up on the Clubhouse Bulletin Board!!
