TO OUR LCYC FAMILY

Taylor and I, along with the rest of the Sanderson family wanted to say "thank you" for all of your prayers, support, cards and phone calls during the past 15 months. It helped us tremendously just getting through each day and the new challenges we faced. We didn't know that last season would be Johnny's final summer at the marina, and we're so glad he was able to enjoy his time there. Our Olverson Marina Family has been very special to us for the past 17 years and Taylor and I hope to continue to be a part of it.

Your support, kindness and generosity exceeds itself.

Hope to see you soon.

With Love,

Terri

MESSAGE FROM OUR COMMODORE - GEORGE T. UTT

Well it's May and it seems we are still waiting on spring to arrive! The sock burning was a good time, thanks to those that braved the weather to join us that weekend. A special thanks to Bill and Theresa for their ever so great hospitality and help with that event.

Even though the weather has been too warm, it seems that some have been having some good luck in the fishing department. Keep those pictures coming. Please forward them to the Secretary so we can post them on our web page.

The boater education class slated for May 11 has been postponed. A new date to follow soon.

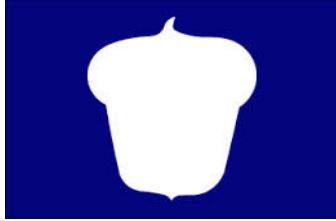

Remember that B Dock will host their function on May 18th. Looking forward to good food and good times with friends and Rivah family. Remember, guests are always welcome and encouraged. The yacht club is always looking for new members!

It has been a hard start to 2013 for many. Our continued thoughts and prayers go out to everyone that has been touched by a loss. It will be hard to adjust to not seeing their familiar faces on the

docks this summer. Even so, we are looking forward to making unforgettable memories this summer with all of you.

Your humble commodore,
George

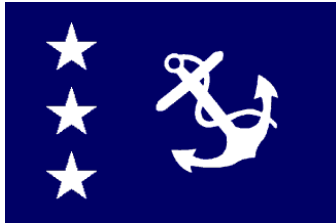

MESSAGE FROM OUR TREASURER – JT TAYLOR

Hope everyone's de-winterizing projects are coming along in an uneventful manner and that those of you that have been slaying the rockfish have enjoyed this earlier season. We are looking forward to seeing all of you at the May function and if anyone has any leads on either new memberships or renewals, please don't hesitate in steering them my way. In closing, I would like to thank the membership, as a whole, for the promptness you have all shown in remitting your 2013 memberships. It allowed your Bridge to have a much better financial picture of LCYC and to establish the 2013 budget accordingly. My hat's off to ALL OF YOU...MANY THANKS...

J.T. Taylor
LCYC Treasurer

MESSAGE FROM OUR FLEET CAPTAIN - BILL WEBER

I will have a sign up sheet for the Memorial day cruise to Tall Timbers Marina posted in the club house this weekend.

Hi all, spring has come and summer will be here very soon. Since it was a colder than normal spring many of us, me included, were not ready for an April cruise. However since the next cruise is Memorial Day weekend there is more time to get ready. Tall Timbers Marina has a full weekend of things going on with the boat burning on the beach Sunday evening.

http://talltimbersmarinasomd.com/index_files/MemorialDayMain.htm

Tall Timbers Marina is only 13.1nm from OLCM and at a leisurely slow cruise speed to minimize fuel usage you can be there in an hour, +/- 1/2 hour depending on your vessel. Dockage rate is \$2/foot.

Please sign up on the sheet posted in the club house or e-mail me directly at Maybelater3870@aol.com if you plan to attend. I would like to provide Rick at TTM an early list of the number of boats that will be there for the weekend. The sooner we get them the more likely we can all be located close together.

Include the following information:

1. Boat Name
2. Captain's Name and Phone number
3. Power requirements. A. One 30 amp. B. two 30 amp. C. 50 amp.
4. Boat length, beam, and draft.
5. Arrival and departure dates
6. Any special requirements.

More information to follow,
Bill

MESSAGE FROM OUR A-DOCK DIRECTOR: BRENDA GUERRERO

"A" Dockers..... I'm excited about the dock crawl and love the ideas you'll have. It's going to be so much fun! Also, we're so lucky that the "Bridge" thinks our function would work out better in October. Not as much of a chance of a hurricane getting us again and should be cooler! We'll have our meeting in the middle of the summer, so be thinking!

Looking forward to seeing everyone.
Brenda Guerrero

The Rockfish season kicked off with a bang. Many have reported this to be the best spring season in a long time. Most fish being taken between the Birthday Cake and the Green Number 9! Bait of choice has been umbrella rigs, but it seems that they are hitting just about everything.
