

## September 2016 Newsletter

### **COMMODORE: ED REST**

---

First I'd like to give Fran and Larry Davis our deepest sympathy with the passing of Fran's dad.

A-Dock did an outstanding job with their function. Labor Day weekend was a great turnout at the marina and thankfully the tropical storm was a bust, ankle deep on the docks and all boats safe. Our season is winding down with only two more functions to go, and they are always outstanding.

If you have not checked out the LCYC webpage, please do. Rob is doing an unbelievable job with it. Please continue to send him LCYC pictures.

There is an incredible Change of Watch being planned, (see message below) and watch future emails, Newsletters and webpage for updates.

### **TREASURER: JAY NOVAK**

---

August has come and gone along with another great LCYC function. Many thanks to Anita & Jim Hall for returning to organize the A-Dock function even though they sold their boat earlier this year. The "Dog Days of Summer" function was attended by over 65 members and 20 guests. All the food was great and there was plenty of it so if anyone left hungry it was their own fault. As Treasurer, I am happy to say that the event came in \$200 under budget and generated an additional \$200 of guest fees as well as \$132 of 50/50 proceeds. Also, the Ship's Store had a strong showing bringing in nearly \$700. Looking forward, we have only two functions left this year so make sure to mark your calendars and I hope to see you all there.

**B-DOCK DIRECTOR: BOB WOODBURN**

Good Day from "B" Dock.

I know everyone is asking the same question, where did the summer go? But it's not all bad. With the departure of August comes the cooler evenings perfect for a night on the anchor under the stars. If you haven't anchored out lately, or ever, you don't know what you are missing. B-Dock boaters have been getting off the dock whether for a day

cruise, anchoring out or a weekend away it has been a great summer. I took a picture of this craft that belongs to the Army while at Dennis Point a couple of weekends ago. Quite an impressive craft that looks as if it is some type of delivery/support vessel that has shallow water capability. The outboards can be trimmed vertically as well as trimmed out as usual.

All of B Dock express our deepest condolences to Craig and Amy Cook, M/V Sundowner, on the sudden and unexpected loss of Craig's brother recently.

Nettles are gone, water is perfect, hope to see you out on the water soon.

The Yeti Cooler and 2 Yeti cups auction went off well with all tickets sold. Freddie was the winner of cooler, Rob was the winner of glass, and a ticket sold by Bruce to an co-employee where he works got the cup. Everyone seemed to enjoy trying to win.

The October event is the Halloween party, and I would like to see full dock participation. Dress up and dress out your boat, let's be competitive among ourselves and against the other docks. And there are prizes to win. Look for the date and time at the dock bulletin board. Enjoy the next few weeks we have left before we winter in at the pier.

See you at the dock.  
Bill and Audrey

D-Dockers, time to start thinking about our event in October. Let me know if you have specific ideas or something you would like to prepare. Hope to see you on the dock over the holiday weekend!

Hi to all! As I will not be there, I just want to thank all the E-Dockers in advance who will be helping with our event. You all are really some great people. I would like to give a big thank you to Susan and J.T. and let's not forget Bill and Theresa for all the hard work they do every day. And lastly, best wishes for a speedy recovery for Bill and glad Theresa is feeling better.
