

September 2014 NEWSLETTER

MESSAGE FROM OUR COMMODORE - STEVE THOMPSON

Our Labor Day Cruise to Crisfield for everyone who was able to go was made even better by fantastic weather the whole time! Special thanks to Bill Weber our Fleet Captain and Dave Teets for organizing such a great weekend including a Burgee Exchange for both Yacht Clubs! Bill will tell you more about the weekend, but let's just say it ended with another round of fantastic fireworks not to mention the Seven Bridges Eagles Tribute Band which sounded as close to the original band as any of us had ever heard! Please check the schedule and postings regarding the upcoming cruises for the rest of the year as they become available. I know Bill has some shorter ones planned in an effort to make it easier for more boats to attend. It's been a banner year for the club as far as cruises go and it's great to see so much participation!

E Dock has the next function on the 20th of September. Please see Bob Ryan regarding any new nominations for vacancies on the LCYC Bridge for next year. Your Dock Director can also help get that information to Bob and please remember that LCYC needs and welcomes your help and input! The Club has welcomed at least 10 new members this year and I've been told there will be more! At the E Dock Function, details on the upcoming Change of Watch will be announced. One of the best things about our Change of Watch is it becomes a welcome break right after the worst part of winter and marks the start of the upcoming season! Dave Teets is spearheading most of the arrangements for this and it's always a great event. We look forward to providing details on this at the upcoming function. See you at the Marina and on the Water!

MESSAGE FROM OUR VICE COMMODORE – BILL SULLIVAN

Well, here we are.... August came and went like a dropped Popsicle on a sidewalk of Death Valley. It has been a busy month with the cruises to Point Lookout, Crisfield, and Corinthian. Thanks to all who attended the cruises and made them a success.

Jay and his A-Dockers did a great job with their function, everyone had a great time. Mother Nature didn't cooperate very well, but you all hung in there. Great food, great music and most of all great people!

Our E-Dock function is right around the corner, Susan has a great function planned with our low country boil, y'all need to come out and get a belly full of this pure southern steamy goodness, you won't be disappointed.

The end of the boating season is almost here and fall is approaching, please see the Ship's Store flyer in this Newsletter for the fall apparel.

Don't forget we are holding a Special Meeting on October 4th at 1:00. We just want to get your input and ideas of things that you would like to see next year. I look forward to seeing you there and hearing your ideas for the future.

The October function will be our last function of the season, which we all know we will go out with a bang!! What a great way to end the boating season!

See ya the Rivah!
Your Vice Commodore

Up Coming Cruise Schedule

I have provided links to each of the marinas or events to make it easy to see all that is available at these locations.

Sept 13 or 27. Coles Point Marina.

<http://colespointmarina.com/>

The Landings Restaurant has live music and food.

<http://thelandingatcolespoint.com/index.html>

The basin in front of their tiki bar has plenty room to accommodate 10 to 12 boats depending on size. I'm not sure if they have anything on their schedule for either weekend, but if there are enough people wanting to go, I will look into it. Call, text or e-mail me your thoughts

Oct 11-13. Tall Timbers Marina. See below link for schedule of events.

http://talltimbersmarinasomd.com/index_files/ColumbusDay2010Full.htm

This is usually a good event here. Rick will have local oysters and Bloody Mary's. There will be a boat burning on the beach that weekend as well.

If you are thinking about going on any of these cruises please send me by e-mail directly at maybelater3870@aol.com Your feedback will be greatly appreciated. I get call and requests about how many people are going and this would be very helpful.

If you would like to contact me directly I can be reached at 540.272.6194

Two 8 foot bull sharks caught at Point Lookout.
