

# BEACH PARTY RENDEZVOUS

## MAY 23rd and 24th, 2020

Come Join the LCYC Mini-Cruise Pot Luck Dinner and Raft-Up Memorial Day Weekend at the "BEACH"

OLVERSON'S LODGE CREEK MARINA

A "close to home" mini-cruise that should bring a day (or two) of fun at the "Beach", where you can party, swim, build sand castles or whatever. Larger boats will raft-up just south of the Beach area and smaller vessels can go back and forth to the raft-up tying along side. Your choice to either stay over night or return to Olverson's

Everyone should bring something for the pot luck dinner Saturday evening and whatever beverages they want throughout the day. There will be a central boat (maybe several) in the raft-up to host the food and be the central point for gathering for the meal.

More details will follow, just get those boats in shape, dig out your bathing suits and beach towels and plan to join the special fun and fellowship the LCYC is famous for.
