Of note, Bobbie Blowers (E Dock) spoke to BOAT/US. "I just spoke with BOAT/US and learned that the yacht club discount no longer applies to the membership fee but does give a 10 percent discount on towing. This started at the beginning of this year."

Our apologies, as we just learned of this ourselves. Thank you, Bobbie.

D DOCK MESSAGE FROM KENNY DEPASCALE

While it's certainly felt like summer the past few days and weeks, officially the summer is upon us! Which, for Antonia and myself, means that we can now finally start spending more time at the marina with everyone, now that our early season obligations have been met. So with that being said....

We look forward to the next few weekends at Olverson's, and all the activities we have planned for you. As a reminder, this weekend is the Fleet Captain's Beach Party, from 11-4 at Pirate Beach. Bill and I will be there without the wives, so no telling what we may get into :) (hopefully Theresa doesn't edit that line out.....)

Also coming up, Fourth of July weekend and a whole host of activities. The Kid's Fishing Tournament is cancelled because no one signed up. So Giuliana wins by default! :)

Also that same weekend, we still have the Boat Parade and an Ice Cream Social planned, at 12 and 3 PM, respectively. Antonia will be hosting the Ice Cream Social, so make sure you show up and give her a hard time that she didn't bring your favorite flavor (whether it actually be true or not).

We look forward to seeing more of you all as this summer officially gets underway!

-Kenny
D Dock Director

E DOCK MESSAGE FROM BOBBY ANDRADE

Unfortunately, due to lack of participation, the Kid's Fishing Tournament is cancelled.

I will think of some kid friendly games for our E Dock function on September 17th with marine life themes. The money we were going to use for tournament prizes will go towards prizes at our E Dock function.

STAY TUNED!!

BOATERS SAFE BOATING COURSE - Effective July 1, 2019 all Virginia boater must have taken a Certified Boaters Safe Boating Course and have proof of this while boating in Virginia waters while operating any vessel powered by a motor of at least 10 horsepower. This law makes no distinction of age or experience.

As we start the boating season, we must all renew our commitment for SAFE BOATING.

VESSEL SAFETY CHECKS - The most cautious boaters can sometimes experience unexpected problems on the water. That's why the U.S. Coast Guard recommends that all recreational boaters, including personal watercraft and paddle sport users take advantage of the free Vessel Safety Check Program every year. We have certified Vessel Safety Check Examiners here at Olverson's Marina. Please contact the Marina Office and office personnel will provide you with contact information for getting this free examination. Once you have completed this free 15-minute examination, you will be given a decal that can proudly be displayed on your vessel. Taking a few minutes to have your vessel checked, just may save you from problems this season!

MEMBERSHIP RENEWAL
