I hope you are all still staying healthy and being safe during these unprecedented times. Last Saturday, we held what I believe was the first ever, “Zoom” Bridge Meeting. Even though it was great to see friendly faces and hear familiar voices, it was also agreed that it is still too soon to gather as a yacht club for any events. Therefore, we are officially postponing the May function which was scheduled for May 16<sup>th</sup>. The “Stay at Home Order” that was put into effect by the Governor of Virginia on March 30, 2020 is still in effect and there has been no indication that it will be rescinded prior to original June 10<sup>th</sup> expiration. Once the Stay at Home order has been rescinded or expired, the Bridge will meet again to begin planning for the rest of season.

During our “Zoom” meeting, we had some great discussions about how we should move forward (once it is legal), while still being careful not to jump in too quickly. Many of our LCYC members are in the “high risk” category so we will have to proceed with extreme caution. There were also some definite concerns about how to safely prepare and serve food during this epidemic. Therefore, we will be exploring many options, including

catering, which would reduce the number of people involved in the food preparation. Hopefully, things will drastically improve, and we will be able to have some “normal” functions soon.

Finally, I did want to mention that Olverson’s Marina is still open for business. Many LCYC members have been frequenting the Marina to check on their boats or to start their Spring cleaning. The bathroom and clubhouse facilities are also open, but please be sure to comply with social distancing requirements if you do decide to visit Olverson’s.

I hope this edition of the Osprey Times finds each of you and your family well during these unusual times we find ourselves in. On a brighter note, we just finished up a beautiful weekend at Olversons! Saturday and Sunday were perfect weather days with a steady parade of boats shaking off the winter cobwebs and heading out to cruise or fish. C dockers Charles and Kathi Williams had a boat full of grandkids out for a cruise, P/C Dave Teets and Tiffany enjoyed the day out as well as P/C Steve and Kathie Thompson. E Dockers cruised out to fish on the Rappa's boat, I heard them before I saw them so there may have been a stereo upgrade over the winter on the "Just Dew It"! B Dockers Brooks, Cooks and Verdillos all cast the lines off and enjoyed cruising on the rivah! Barbara and I may have the cleanest boat around as we have been busy social distancing everything except cleaning products and fiberglass wax! I will attest however that she is the best at cleaning stainless steel brightwork, every inch has been cleaned and polished to perfection.

Rest assured your bridge is taking the COVID virus seriously and we all hope to resume our normal LCYC activities as soon as possible. In the meantime, Spring has sprung, and the marina is slowly waking up. Come on down, be a part of it!

If you have the opportunity, please patronize the businesses that have supported LCYC over the years. Nino’s, Backdraft, Crazy Crab, Allison’s Ace Hardware, 360 Grill among others. Most of these places are doing carry out. One of our favorites, Yesterday’s, will hopefully be open Memorial Day weekend so make plans to dine with LCYC members Danny and Bruce.
