COMMODORE: JAY NOVAK

We are now into August and suddenly it seems as if summer is slipping away from us. Between the relentless heat and COVID-19, I think that most folks are just fine with that. In spite of our challenges, we have managed to get the ball rolling on the 2020 Yacht Club season. In late June, the Bridge hosted a fried chicken dinner along with music by DJ Russ. Thanks to our Dock Master Brad and his connection with Jack Rabbit Express that enabled us to get a good deal on some great chicken. I also want to thank the crew who assembled and served the food for wearing their face masks and gloves without too much complaining. We are not out of the woods yet so we will still need to take these precautions moving forward. Next up is E Dock's Crab Feast on August 22nd. Save

the date and come join the fun!

B Dock - On July 11th, B-Dock hosted their Cheeseburger in Paradise Pool Party which included hamburgers, hot dogs, cold beverages, watermelon and of course, Jimmy Buffet music. They also had a slip-n-slide “for the kids”, but it is rumored that some adults may have tried it too. In fact, there may be some video evidence on the lodgecreekyachtclub.com website. Thanks to our B Dock Director, Ellen Weber, for helping to put this event together on such short notice. As you may recall, B Dock was supposed to have their function on May 16, but it was postponed until we had entered Phase III of the Virginia re-opening plan. Besides Ellen, there were also members from her dock as well as other Docks who were instrumental in making this event a

success.

Beach Cruise - On July 25th, Fleet Captain, Jimmy “Coach” Pulchine led a fleet of about 10 boats on cruise to a local beach near Kinsale. Upon arrival we enjoyed chips and cold drinks while waiting for the main course. At last, we were treated to some of the finest hot dogs on the Potomac which were cooked by our very own Vice Commodore, Bob Woodburn. Luckily, the weather cooperated, and a good time was had by all. In fact, several members commented that it was great to get our boats out of the slips and do something different, so thanks to Coach for making that happen. Finally, after about 3 hours of fun and sun, we packed it up and headed back to the marina for the Happy Hour.

Later that evening several members attended a Safe Happy Hour hosted by our Happy Hour Committee, Kathi Williams. There were delicious hors d’oeuvres and plenty of cold drinks for all who attended. The feature drink was a “Quarantini” which resembled a lime Daiquiri. It was the perfect drink to cool you off on a hot day. Thank You Kathi (and all your helpers) for all your effort and for taking all the necessary precautions to make sure we were safe.

Finally, speaking of Safety, I want to thank all the Members who pitched in a few weeks ago when we had a boat fire at the marina. Some quick thinking and action limited the damage to just one boat instead of our entire fleet. In just a few minutes, 911 was called and the boat was towed out into open water before it was fully engulfed. See the message from our LCYC Safety Officer, Dave Teets, in this Newsletter

VICE COMMODORE: BOB WOODBURN

Thanks to all the LCYC members who have pitched in this year to help pull off some great functions this summer! A great time was had by all at the "Cheeseburger in Paradise" pool party and the recent "Happy Hour" were both great times. Hope to see everyone at the rivah soon!

I lost a men's gold bracelet at the pool party that I have had for over 25 years. Not sure if it was around the "Slip and Slide" or somewhere else on the property but if you find it there is a \$100 finders reward for you! Thanks.

SECRETARY: THERESA SULLIVAN

FROM YOUR DOCK DIRECTORS

B Dock - Ellen Weber

Thanks everybody for making the Beach Party (the hotdogs were delicious), thanks to Captain Bob for cooking them) and Happy Hour a wonderful time at the Marina. The jellyfish are bad this year, take care of your AC Systems, on B-Dock several AC cut off because of this over the weekend. There were several discussions on how to handle the jellyfish problem such as putting a bubbler under your boat.

E Dock - Lori Rappa

Mark your calendars, E dock's crab feast is on August 22nd! Look for the evite and please respond ASAP so that we can get an accurate headcount to order the correct amount of crabs. For those that don't eat crabs there will be hotdogs and sides. Look forward to seeing you all there!

SAFETY OFFICER - DAVE TEETS (C 24)

As many of you know, and we discussed at the last function, there was an unfortunate boat fire at the Marina a few weeks ago. At the July 25th social gathering, we discussed the importance of having active fire extinguishers on and near your boat. We demonstrated the techniques of using a fire extinguisher, and for anyone who would like any “hands-on” coaching on the proper use of a fire extinguisher, be sure to let me know as I have practice fire extinguishers that we will be glad to give you a 10 minute experience! We always need to be prepared for a fire, as we never know when one will start. The recent fire appears to have originated with the air conditioner on the boat.....who would have thought that would happen. Stay safe LCYC!!
