BOATERS SAFE BOATING COURSE - Effective July 1, 2019 all Virginia boater must have taken a Certified Boaters Safe Boating Course and have proof of this while boating in Virginia waters while operating any vessel powered by a motor of at least 10 horsepower. This law makes no distinction of age or experience.

As we start the boating season, we must all renew our commitment for SAFE BOATING.

VESSEL SAFETY CHECKS - The most cautious boaters can sometimes experience unexpected problems on the water. That's why the U.S. Coast Guard recommends that all recreational boaters, including personal watercraft and paddle sport users take advantage of the free Vessel Safety Check Program every year. We have certified Vessel Safety Check Examiners here at Olverson's Marina. **Please contact Dave Teets at 804-370-7061, he can also be found on C-Dock for getting this free examination.** Once you have completed this free 15-minute examination, you will be given a decal that can proudly be displayed on your vessel. Taking a few minutes to have your vessel checked, just may save you from problems this season!

Happy 2021 LCYC!

As I write this it's only 55 days until Spring and we can all shake off the winter blues. Even though we still find ourselves in trying times I feel better times are on the horizon. I recently got my first shot of the "elixir" to ward off the COVID and I feel great.

Although not yet formally installed your 2021 Bridge has already met to begin planning for the marina season. There will be a few changes coming as we continue to navigate COVID concerns and restrictions but rest assured every precaution is being considered as we plan the summer. Our first official function

after COW will be the the blessing of the Fleet on May 2nd. We will plan to have that event followed by lunch. I am excited about the events to come, Fleet Captain James "Coach" Pulchine has several day outings planned that will appeal to everyone. Safety Officer Dave Teets will along with Eric Amato will once again be able to do Vessel Safety Checks and your dock directors will be putting together fantastic functions this year.

There is much to come this year, dock directors are excited and after all the uncertainty last year I know you are all looking forward to getting back to normal and getting Our Happy On at the Rivah!

I hope to see you all at the COW. And see the end of the newsletter for the full calendar of events!

IMMEDIATE PAST COMMODORE: JAY NOVAK

CHANGE OF WATCH HAS BEEN RESCHEDULED TO SATURDAY MAY 1ST.

First, I hope that 2021 finds you all healthy and safe. I would have thought that COVID would be behind us by now, but it keeps hanging around and causing us to adjust our lives in many ways. It has also caused us to adjust the LCYC schedule once again. According to our Governor's Executive Order Number 72, "*all public and private in-person gatherings of more than 10 individuals who do not live in the same residence are prohibited*". Although, this order expires on February 28th, it will most likely be extended in some fashion through the end of March. With this in mind, we have decided to reschedule this year's Change of Watch until Saturday, May 1, 2021. This will enable many of our Members to receive their vaccinations prior to the first official event of the year. As always, there will be a Commodore's Reception on Friday, April 30th and we will have our "Blessing of the Fleet" ceremony on Sunday, May 2nd, so plan to be here the entire weekend. The COW registration form is included in this Newsletter so please return your registration as soon as possible. We would like to have a firm number to give to the caterer at least a month in advance, so please register no later than March 31, 2021.

SECRETARY: THERESA SULLIVAN

Hi everyone,

I hope everyone is doing well.

For those of you who have not renewed your dues yet and still plan on rejoining, please be sure to add the \$20 late fee.

I am working on the 2021 Roster and it will be sent out along with membership cards (I will be mailing out the membership cards this year to ensure everyone receives them) by the end of February or sooner.

Note from Dave Teets: The free Vessel Safety Checks will resume in the spring. Please contact Dave, you can find him on C-Dock, or feel free to call him at 804-370-7061. Due to the COVID restrictions we are still unable to have the Boater's Safety Course. When the restriction is lifted, Dave will schedule the course.

Looking to seeing everyone soon! Stay safe and be well.

Theresa
