This Saturday marks the official beginning of Summer and we have yet to have our first LCYC function of the season. After months of social distancing, businesses are slowly starting to re-open and many LCYC Members have made their way to Olverson's Marina. Although things may never be completely normal again, it has been refreshing to see so many people on their boats again over the last few weeks. I know we all want to put COVID-19 behind us, but we still need to proceed slowly and cautiously. For this reason, the June 27th function will have a somewhat different format. To limit the number of people preparing and handling food, we will be ordering boxed dinners consisting of fried chicken, potato salad and baked beans. If you plan to eat dinner, make sure to respond to the Evite so we know exactly how many dinners to order. Also, the dinners will be served in the pavilion instead of having everyone go through the Clubhouse. LCYC will provide the usual beverages, however, there will be a designated person wearing gloves and a mask to dispense the beverages. Finally, we still want to encourage everyone to socially distance as much as possible. We will move some of the tables outside of the

pavilion to give us more room to spread out. Feel free to bring your own chairs and set up outside of the pavilion if that makes you feel more comfortable, but make sure you are close enough to hear DJ Russ. I hope to see you on the 27<sup>th</sup>.

BOATERS SAFE BOATING COURSE - Effective July 1, 2019 all Virginia boater must have taken a Certified Boaters Safe Boating Course and have proof of this while boating in Virginia waters while operating any vessel powered by a motor of at least 10 horsepower. This law makes no distinction of age or experience.

As we start the boating season, we must all renew our commitment for SAFE BOATING.

VESSEL SAFETY CHECKS - The most cautious boaters can sometimes experience unexpected problems on the water. That's why the U.S. Coast Guard recommends that all recreational boaters, including personal watercraft and paddle sport users take advantage of the free Vessel Safety Check Program every year. We have certified Vessel Safety Check Examiners here at Olverson's Marina. Please contact the Marina Office and office personnel will provide you with contact information for getting this free examination. Once you have completed this free 15-minute examination, you will be given a decal that can proudly be displayed on your vessel. Taking a few minutes to have your vessel checked, just may save you from problems this season!
