Well, Fall is upon us and it is probably my favorite time of year to be at the Marina. Whether you are boating, sailing, fishing or just hanging out on the docks, the cooler temperatures make it just a little more enjoyable. If you attended our last function, you know what I mean about the cooler weather. As promised, the LCYC members were treated to a Pizza and Movie Night at the Clubhouse pavilion. There was plenty of Nino's pizza, freshly popped popcorn and an assortment of beverages for all.

After eating dinner and dessert, it was time to get down to some official business. The Nominating Committee, chaired by Steve Thompson, announced the Nominees for the LCYC 2021 Bridge. Please see the list of Officers in this Newsletter and plan to be at the next function when the Club Members get to vote for these Nominees. Thanks to the Nominating Committee for comprising such a competent and experienced slate of Officers to lead the LCYC through 2021. After that announcement, Dave Teets shared some preliminary details about the 50<sup>th</sup> Annual Lodge Creek Yacht Club Change of Watch. This event will be held on Saturday, March 27, 2021 at the Callao Moose Lodge. The last time we had the

Change of Watch in Callao we had a record turnout. With this being the 50<sup>th</sup> Change of Watch, I am hoping to shatter that record. Don't forget to block off that entire weekend on your calendars because I will be hosting the Commodore Reception on March 26<sup>th</sup> and we will have the Blessing of the Fleet ceremony on March 28<sup>th</sup>. We hope to have more details about how and when to register at the next function.

By the time all the announcements were over, it was almost dark enough to start our feature presentation, "Captain Ron". My audio/visual abilities were pushed to their limit, but eventually we got the sound and picture just right and the movie was underway. Only a handful of diehards lasted through the entire movie, but it was exciting to see several families with kids enjoying the movie until it got too cold and/or too late. Speaking of kids, do not be surprised to see some Trick or Treaters if you are at the Marina over Halloween weekend. With many municipalities not participating in Halloween, some families may opt to be at the Marina that weekend so you might want to plan ahead and bring a few treats with you. However, please follow COVID guidelines if you decide to participate.

Finally, I would like to officially invite you all to D Dock's oyster event on October 24, 2020. I am really looking forward this function because D Dock always does such a great job. You will receive an email invitation in the very near future from our Secretary, Theresa Sullivan. Please respond to her email to let her know whether you are attending, and if so, how many people will be attending. We have found that we get a more accurate head count using this method than with the Evite. Keep an eye out for that email and I hope to see you all on October 24<sup>th</sup>.

Happy Fall everyone!

Our beautiful mostly dry summer has given way to a wet fall so far with the last weekend of September going out with three days of cloud and rain. Undaunted by wet weather, most docks were busy with LCYC members grilling and enjoying the cool evening breeze or starting the inevitable march towards the lay-up season with last minute maintenance and oil changes. We have had a great year in spite of COVID-19 and look forward to the remaining schedule of events.

As the season closes down please remember not everyone is down as often as normal so please take a look at your neighbors boat to make sure all is in order. Stripers should be showing up later in October for the fishermen, I know I am looking forward to the season.

Everyone have a great fall!

Bob Woodburn  
Vice Commodore

D-DOCK DIRECTOR - ANTONIA DEPASCALE

Hi Everyone,

It is time again for the Annual D-Dock Oyster Roast on October 24th. Due to COVID our function will be run a little different this year to minimize food handling. We will be serving Steamed Oysters only and chicken this year. Be sure to bring your oyster knife with you.

Just like last year Brent Small once again is coming out to perform for us!

We will also be having our usual "Adult Halloween Party" so costumes are always welcome!
