COMMODORE: JAY NOVAK

First of all, I would like to thank Lori Rappa and E Dock for all of their work preparing the Crab Feast back in August. As always, the crabs were delicious and there were plenty for all to enjoy. Due to a slightly lower than expected turn out, there were a few dozen extra crabs that were sold at the function to help offset the cost. As far as the weather was concerned, I think we got pretty lucky in that there was no rain and the overcast kept the temperature in check. Hopefully, we will have the same luck with our next function on August 19th. Please see the flyer for the "Pizza and Movie Night" and remember to respond to theresasullivan6188@gmail.com so we will have a decent estimate of how many pizzas we will need.

As Fall approaches, it is time to start thinking about the future of the Lodge Creek Yacht Club. Of immediate importance is the need to fill all the Bridge positions for next year. I have asked Steve Thompson to chair the nominating committee and he has been busy trying to do just that. At the

September 19th function, Steve will announce the proposed Bridge and then there will be a Membership vote at the October function to approve the nominees. There are still some vacant positions and we would really like to see some new blood with some new ideas on the Bridge. If you are at all interested in becoming more involved with the Club, please let Steve or I know.

Also, this is the time of year when we need to start planning for the Change of Watch which is the annual ceremony to "Swear In" the incoming Bridge. Due to the uncertainty caused by COVID-19, I am planning to have this event locally (in the Callao area) near the end of March. Most out of town venues require a hefty deposit and a guaranteed number of attendees so it would just be too risky to plan such an event under the circumstances. We are currently working to secure a venue, caterer and entertainment and hope to announce more details in the next Newsletter.

Finally, I am reluctant to address this issue, but I have received a few complaints about pets at the functions. I know we all think of our four-legged friends as family and we do not want to leave them behind, but there are some folks that just do not feel comfortable with this. So, if it is at all possible, please try to make other arrangements for your pets during the functions.

Commodore, LCYC

VICE COMMODORE: BOB WOODBURN

Summer is winding down but fall boating is always the best kept secret around, crisp days and cool evenings along with the heated pool make easing into the off season a little more palatable.

Thanks to E dock for the fantastic crab feast, it was one for the books!

Hoping to see everyone around the marina this fall.

Bob Woodburn
Vice Commodore

SECRETARY: THERESA SULLIVAN

Please welcome our new Members!

Michael Justice and Lisa Martin on A-Dock!

I will not be at the function on the 19th, but they will have membership cards for those of you who have not received yours yet. I know it's late getting them to you and I truly apologize.

FROM YOUR DOCK DIRECTORS

B Dock - Ellen Weber

Thanks everybody for making the Beach Party (the hotdogs were delicious), thanks to Captain Bob for cooking them) and Happy Hour a wonderful time at the Marina. The jellyfish are bad this year, take care of your AC Systems, on B-Dock several AC cut off because of this over the weekend. There were several discussions on how to handle the jellyfish problem such as putting a bubbler under your boat.

B Dock - Ellen Weber

Fall weather is coming, be safe out on the water.

I hope to see everybody at the Pizza Night!

Ellen
