COMMODORE'S REPORT

Welcome everyone to the 2022 LCYC Season #48! 2021 has definitely been a trying year for everyone. We all have lost a lot of good friends and family members over the past couple of years, let's keep all their memories alive in our thoughts and prayers. With the COVID crisis going down it's giving everyone a well-deserved break from the confinement of being non-social. With that said, I would like to thank Bob Woodburn and the 2021 Bridge for all their hard work in making last year a successful one, but I know it's been tough. I want to thank all of the new bridge for stepping up and for the help this year.

We do need someone to fill the A and B Dock directors spots, and someone to take pictures at the LCYC Functions, and hopefully keep the Lodge Creek Connection going. Anyone who can help or know of someone, they can e-mail me (captinwilly2@gmail.com) or Theresa Sullivan (Therasasullivan6188@gmail.com) for more information. Looking forward to somewhat of a normal season.

We do have all of the functions on the calendar, subject to change due to weather. As we all know, between the fuel costs and prices of everything going crazy, it's not going to be a cake walk by no means this year. We will do the best we can with what we have, as my dad would say, to make sure we all have a good time, good food, and good friends gathering.

Your Commodore
Bill Sullivan

VICE COMMODORE'S REPORT

With all the nice weather we have been having it looks like we are in for a good season. Looking forward to a fun filled summer at the marina. The fun never stops nor does the yacht club functions! Here's to a fun filled 2022. Can't wait to see y'all soon!

Thanks,
Antonia DePascale

IMMEDIATE PAST COMMODORE'S REPORT

I want to take this opportunity to thank the 2021 Bridge for all that they accomplished for the Yacht Club last year. Without your hard work and perseverance our year would not have been as successful as it was. Thank You.

Bob Woodburn
Past Commodore

TREASURER'S REPORT

Welcome spring! The past year has been chaotic, many changes, some good, some not. The LCYC now has their own account at Primis Bank, including online access, allowing for more timely transactions. Thank you Charles Williams for being patient and covering for me while getting this change accomplished.

We also have our own EIN number and a new registered agent with the SSC. We are currently registered as a Non Stock Corporation, Active and in Good Standing. I am curious about the Social and Recreational Club designation (which seems to fit our organization better), if we have any members that could explain the advantage or disadvantages of making a change, and the process, please reach out to me. jaynebmiller@gmail.com

As of this date I have received dues from 78 households. We also have a healthy carry over of funds from last year to add to this year's budget. The budget is a work in progress, trying to predict what food costs and attendance is a struggle.

Please encourage new boaters on your dock to join the club and be a part of the fun! Hopefully this boating season will be a refreshing and peaceful time for you at the marina.

Looking forward to seeing everyone at our first function.

Jayne Miller
Treasurer

FLEET CAPTAIN'S REPORT

Beach Party June 25! Details to follow. Look for sign-up sheet in the clubhouse.

Catch You Later!

SECRETARY'S REPORT

Please welcome our new members, David and Rebecca Wirt.

Can't wait for the COW this weekend!

To the 2021 dock directors, please give me your cabinet keys at the first function in April, so I can pass them on to the new dock directors. Thanks!

Roster is still in the works, as well as the membership cards. I should have everything done by April. Sorry for the delay. Just waiting to see if some members are rejoining.

Support the Callao Moose Lodge on April 9th. Patsy and the Country Classics will be playing from 7:00 p.m. to 11:00 p.m. There will be an admission charge at the door, I'm not sure how much, but Eddie said it shouldn't be too much. If you are not a Moose Member, you'll need to go with someone who is a member as their guest. Bill and I have seen them play and they are absolutely great!!!!

Looking forward to seeing you all soon!

Stay safe

Secretary

DOCK NEWS

B DOCK

MESSAGE FROM CAS OLVERSON

PLEASE... COME ONE, COME ALL...

Lodge Creek Yacht Club members, guests you may have visiting you, any non-member OM slip-holders whom you think might be interested.

MOVING SALE AT FRED & CAS OLVERSON'S HOME FOR OVER 33 YEARS 1453 Melrose Road, Lottsburg, VA 22511, at the end of Melrose Road, on the left

WEEKENDS... Friday afternoons through Sunday afternoons... Until Mr. Chips (spoiled cat, now titular head of household by default) and CasO move to RVA on or about the 1st of May 2022. Please call ahead to let us know your ETA, and, remember to close the front door behind you to prevent said cat from zooming outside.

HOUSEHOLD CONTENTS FOR SALE

A whole lot of "stuff", as Fred used to politely say, when he really wanted to use a different "s" word 😊 Probably not that much of great intrinsic value, but may be of interest and value to others. Viz., some Victorian furniture, reproduction Colonial furniture, some antique furnishings, repro milkglass collection, too much crystal stemware, curios, books, CDs, some videos, repro & other highly collectible wall art, household furnishings, kitchen things, office supplies, ad infinitum. Estate sale stagers priced a lot of items when we thought we were going to do a moving sale open to the general public. Therefore, "best offers" will also happily be considered. Everything NFS has got to go!

TERMS

"Cash & carry". Or, payment by personal check. No deliveries. No credit cards because we don't have access to that kind of processing.

We will look forward to seeing you soon.

Best regards and hugs,
Cas Olverson

D DOCK - MESSAGE FROM KENNY DEPASCALE

To quote a classic, "Just when I thought I was out, they pull me back in!" Since Antonia decided to up and ditch the D Dock Director position for Vice Commodore, it looks like y'all are stuck with me again as the Dock Director (sorry bout that D Dock).

All joking aside, I'm looking forward to another fun season and hopefully cheaper gas prices. There's a lot of changes to the schedule and functions, with some fan favorites returning like the dock crawl,

which I know I'm personally looking forward to. We'll be making our way down regularly with the nicer weather fast approaching, and I hope to see y'all down there soon!

BOATERS SAFE BOATING COURSE - Effective July 1, 2019 all Virginia boater must have taken a Certified Boaters Safe Boating Course and have proof of this while boating in Virginia waters while operating any vessel powered by a motor of at least 10 horsepower. This law makes no distinction of age or experience.

As we start the boating season, we must all renew our commitment for SAFE BOATING.

VESSEL SAFETY CHECKS - The most cautious boaters can sometimes experience unexpected problems on the water. That's why the U.S. Coast Guard recommends that all recreational boaters, including personal watercraft and paddle sport users take advantage of the free Vessel Safety Check Program every year. We have certified Vessel Safety Check Examiners here at Olverson's Marina. Please contact the Marina Office and office personnel will provide you with contact information for getting this free examination. Once you have completed this free 15-minute examination, you will be given a decal that can proudly be displayed on your vessel. Taking a few minutes to have your vessel checked, just may save you from problems this season!
