APRIL'S COVERED DISH FUNCTION A CHILLY SUCCESS!

Any doubt that the hardy members of the LCYC were having fun at the annual “kick off” Covered Dish function on April 21st? Unfortunately the brisk Spring day was in direct competition with the beginning of the 2018 Rockfish season. So needless to say many of our angler members chose to be on the water instead of piling on the calories with the rest of us.

The full compliment of “official” flags were flying as the event began to gradually unfold with a wide array of finger foods, dips, and member specialty delights to ease the pallet until the kitchen was opened up for the “always favorite” covered dish feast.

It was a perfect time to continue to “catch up” with those we haven’t seen since last fall, swap some winter stories and perhaps some future cruising plans.
