

June 2017 Newsletter

With heavy hearts, we had to say goodbye to Julian "Boolie" Roden, Jr., a long-time Lodge Creek Yacht Club member and family of Olverson's Marina. Please keep Boolie, his family, and of course Hugo in your hearts and prayers.

Julian Cooke Roden, Jr. of Mechanicsville passed peacefully Sunday May 28, 2017 and was greeted in Heaven by his beloved wife Judy. He is *survived* by his daughter Rebecca Roden, brother Peyton Roden, sister Joanna Roden Bergstrom and numerous cousins, nieces, and nephews.

A graduate of Christ Church School in Saluda and Virginia Tech, he joined the United States Marine Corps after graduation. He enjoyed a long career with his father and brother at Bowker and Roden Inc., the family business. He was a member of the Masonic Lodge of Virginia.

His true *love* was boating and the Chesapeake Bay. A lifelong member of the United States Sail and Power Squadron and Lodge Creek Yacht Club, he worked tirelessly to promote boating safety and education. His passion for this was truly contagious to all who knew him. A memorial service is planned for later this summer.

In lieu of flowers donations may be made to Smith Point Sea Rescue, PO Box 662, Burgess, VA 22432

COMMODORE: BILL WEBER

Hello everyone,

I hope everyone is doing well. Now that Memorial Day weekend is over and we are in June it feels like it is “officially summer” and time to get out and go boating. There are many opportunities to get out and go places as well as our own events here at OLCM.

Please keep a look out at the schedule and if you have any questions please just ask any bridge member for additional details. Two great PRYCA events that would be good to get a group to attend are not too far from our home marina. The first is the Summer Kick Off event at Cobb Island Yacht Club on June 16-18.

The second is right here in our back yard and that is the PRYCA Float-In at Point Lookout Marina on July 14-16. This is a big event with a lot of other yacht clubs attending. Ellen and I will be attending both events, so if you have questions or would like to attend please let us know. See attached flyers for both and their registration sheets.

Coordinate with our Fleet Captain Dave Teets or me if you are or would like to attend. Additional details are on PRYCA website.

Paddle Faster, I Hear Banjos – It's official! Bluegrass is coming to LCYC on Saturday August 12th. Bring your lawn chair to enjoy the the music in the shade of the great tree on the hill or your swimsuit to enjoy the music poolside. Music is being provided by Cabin Hill with our very own Emory Shover on the banjo.

What event would be complete without food... there will be burgers, dogs, and other picnic style sides. Bring your family, friends, or other guests to enjoy the afternoon with good friends, good food and of course good music.

Keep an eye on the LCYC schedule and the bulletin boards for upcoming events and the latest information. The next Function will be the C Dock function on June 10th. Hope to see everyone there.

TREASURER: JAY NOVAK

Treasurer's Report, June 2017

With our first Dock function now behind us, LCYC has just over \$10,000 in its checking account. Thanks to the members of B Dock for putting on a great function which also yielded \$100 in guest fees and \$91 in 50/50 proceeds. We are now up 83 paid members for this fiscal year with a budget of 90 members. Please encourage any non-members on your docks to join the Yacht Club to help keep our numbers strong. I look forward to seeing you all at the June function.

FLEET CAPTAIN: DAVE TEETS

This past weekend, the Boat Virginia course was taught at the Marina. Eighteen students attended and they all received their Boat Operator's certification card at the end of the day. We want to remind everyone that Virginia Law now requires that all persons operating a vessel with at least 10hp motor, in Virginia waters, to have completed a certified safe boating class. They must have their certification card with them while operating the vessel.

Meanwhile, what are you doing on the upcoming July 4th weekend? Ever seen a boat docking contest?? Well, on Saturday, July 1st, there will be a workboat docking contest held at Point Lookout Marina, which is just across the Potomac from our Marina. This event is like a Rodeo, but on the water! Several of us are looking to make this a day trip, and since the event doesn't start until 1:00 p.m., we can manage a leisurely trip over to Point Lookout, spend the afternoon at the boat docking contest, and come back in the late afternoon. Want to participate in this day-trip??? Simply contact the Commodore, Bill Weber, or myself for further details.

Don't forget the upcoming C-Dock function, and try to help solve the big Murder Mystery!!!

PRYCA FLOAT-IN - July 14-16

The PRYCA has an annual members rendezvous known as the Float-In and they will be holding it in our backyard again this year at Point Lookout Marina. Other than getting together to catch up with old friends and meet new ones, the Float-In is an opportunity

to compete for the Challenge Cup. This is where yacht clubs compete against each other in boating knowledge and skills for points towards winning this much-coveted Challenge Cup. Here are some of the games and challenges from past years that clubs compete for points.

- Vessel Safety Examinations - club with most boats with current inspection wins points
- Navigation and Seamanship Test
- Scavenger Hunt
- Life Ring Challenge – Pool event
- Life Vest Challenge- Pool event
- Dinghy Skill Challenge – Pool event

Last year's event drew close to 60 boats from the various member clubs. This year's PRYCA Float-In will be held July 14-16 at Point Lookout Marina. As more details about this year's event become available we will pass them on. If you are interested in attending the Float-In, please contact Commodore Bill Weber or Fleet Captain Dave Teets so planning for this event can begin. It would be great to get a good showing at the Float-In from LCYC for our first attendance as new members.

PRYCA Challenge Cup

For those who have not taken the Virginia required Safe Boating Course, LCYC will be offering this course once again this year. We are tentatively looking at Saturday, May 20th, or Saturday June 3rd. The course is free to attend, and will fulfill your legal requirements to operate a power vessel. More details to follow.

SECRETARY: THERESA SULLIVAN

Hi All,

First I want to say RIP Julian "Boolie" Roden. You will be truly missed by everyone at the marina.

I am sorry I missed the B Dock function, I heard it was great. I will also miss the C Dock function, as I will be in Colorado visiting with my sister and family. My son bought me a ticket for my birthday! Woo Hoo!! 😊 I am sure the C Dock function will be great as always! It sounds like a lot of fun and I'm sorry I will miss it.

Memorial Weekend was fun, even though I slept a lot, LOL. It was great seeing all those vehicles at the marina. Looked like old times. Hope it stays that way.

On a personal note, Bill and I appreciate your understand about having to cancel the July 1st event.

SHIP'S STORE: SUSAN WRIGHT

Ship's Store will be open during the June 10th Function.

B-DOCK DIRECTOR: BOB WOODBURN

Hope everyone enjoyed our step back in time concert by the Eagles at our function. Special thanks to Bill Sullivan for cooking and especially to Theresa who was at home under the weather for letting Chef Bill cook for us. Looking forward to doing some boating!

Bob Woodburn, B-Dock Director

C-DOCK DIRECTOR: GERI MCINERNEY

C Dock Function is a Murder Mystery Dinner - Saturday, June 10

Peter Burns, World Rodeo Champion, was riding his famous horse Midnight in the saddle bronc event of the annual Maybee Rodeo when he suddenly fell to the ground. It was no accident! The dust-choked, crowded atmosphere of the rodeo made a perfect cover for someone to commit murder. But who? The suspects are among us. Was it Kate the wealthy widow and owner of the neighboring ranch (Kathi Williams), Jimmy

Jack Pete's top ranch hand (Steve Thompson), Lloyd a fellow rider who wanted the title (Billy Wooten), Maggie the sexy country & western singer (Margie Davenport) or was it someone else. Come enjoy some good grub and help Sheriff Roscoe Brown (Dave Teets) figure out whodunit!!

Hope to see you there!

Geri McInerney, s/v Failte

E-DOCK DIRECTOR: ELIZABETH THACKER

E-Dock is very saddened by the passing of Julian "Boolie" Roden. May he rest in peace. He will be missed by all.

Congrats to our fellow E-Dockers Bobbie and Chrissy Andrade on their new boat!

Hope to see everyone at C-Dock's function.

Elizabeth Thacker
E-Dock Director

LEGAL NOTICE TO LODGE CREEK YACHT CLUB MEMBERS!

Effective July 1, 2016 all Virginia boaters must have taken a certified safe boating course and have proof of this while boating in Virginia waters, operating any vessel powered by a motor of at least 10 horsepower. This law makes no distinction of age or experience.

As we start the boating season, we must all renew our commitment for Safe Boating.

VESSEL SAFETY CHECKS

The most cautious boaters can sometimes experience unexpected problems on the water. That's why the U.S. Coast Guard recommends that all recreational boaters, including personal watercraft and paddle sport users take advantage of the free Vessel Safety Check program every year. We have certified Vessel Safety Check examiners here at the Marina. Contact the Marina Office and office personnel will provide you with contact information for getting this free examination. Once you have completed this free 15-minute examination, you will be given a decal that can proudly be displayed on your vessel. Taking a few minutes to have your vessel checked, just may save you from problems this season!
