COMMODORE BARBARA WOODBURN'S CORNER

As I write this article Hurricane Dorian is taking its closest swipe at Olverson's. The wind is gusting about 40 mph and our only real worry is the high tide coming this evening. As usual our LCYC members and other marina members are moving about the docks checking on people's boats who can't be here, adjusting lines and tying down assorted property. So, if you couldn't get to the marina rest assured someone was looking out for you.

INFO TO REMEMBER

West Marine/Boat US Membership - LCYC Discount No. GA83880Y

BOATERS SAFE BOATING COURSE - Effective July 1, 2019 all Virginia boater must have taken a Certified Boaters Safe Boating Course and have proof of this while boating in Virginia waters while operating any vessel powered by a motor of at least 10 horsepower. This law makes no distinction of age or experience.

As we start the boating season, we must all renew our commitment for SAFE BOATING.

VESSEL SAFETY CHECKS - The most cautious boaters can sometimes experience unexpected problems on the water. That's why the U.S. Coast Guard recommends that all recreational boaters, including personal watercraft and paddle sport users take advantage of the free Vessel Safety Check Program every year. We have certified Vessel Safety Check Examiners here at Olverson's Marina. Please contact the Marina Office and office personnel will provide you with contact information for getting this free examination. Once you have completed this free 15-minute examination, you will be given a decal that can proudly be displayed on your vessel. Taking a few minutes to have your vessel checked, just may save you from problems this season!

MEMBERSHIP RENEWAL

Annual Membership Fees are due on December 31st

Annual Membership Fee - \$100

Annual Membership Late Fee - \$20 if paid after January 31st.

Approximately 140 people attended the E-Dock crab function which was phenomenal! Crabs were plentiful and meaty, sides a perfect match and the fellowship second to none. The evening was topped off by "Pool Bull Riding". Contestant's from each dock attempted to stay on the E-Dock bucking bronco for the allotted 8 seconds. I can personally attest that the most difficult part of this event may have been getting on the wild bull. After that it was just holding on for dear life! The friendly competition between docks resulted in Bobby Andrade winning the event. I think he held his breath for several minutes while underwater being bucked! Fun was had by all in attendance. Thank You E-Dock!

A change is necessary for the September D-Dock function. The oysters will not be available in the quantity we need so we will be having a Potluck on September 21st, open to the entire marina and to raise money for the Smith Point Sea Rescue Team. Please see the flyer in this newsletter and come out to support the Smith Point Sea Rescue team.

October (I can't believe we are talking October) will soon be here and we will be closing out the LCYC calendar with the D-Dock oyster palooza on October 26th. As usual this event is shaping up to be a wonderful evening as always. Please help the docks plan and respond to the Evite each of you receive in your email. If you are not getting your LCYC email, please contact Theresa Sullivan to make sure your email address is correct.

The unfortunate change in the functions has resulted in having to cancel the chili cook off that was set for Saturday October 5th. (There was a typo on the calendar as it being Sunday, October 6th.)

Change of Watch! Coming this February 28-March 1, 2020 in Old Town Alexandria. See the flyer in this email and be sure and make your reservations early. Register no later than December 15th and be entered into the drawing for one night's hotel stay! This will be a wonderful weekend!

With the COW on the horizon please consider serving on the LCYC bridge for 2020. The nominating committee will soon be appointed, and they will be reaching out to LCYC members to fill positions on the 2020 Bridge. Please consider volunteering and keeping the LCYC moving forward.

There is a lot still going on at the Rivah, fall is a perfect time to cruise and go on the hook for the night, "T" gatherings require long sleeve or even a sweatshirt (which are available from the ships store!) but as the seasons change one thing remains the same, LCYC is made up of the nicest and most fun people anywhere! Happy Fall!

Barbara Woodburn, Commodore

MESSAGE FROM OUR D-DOCK DIRECTOR

It's that time of year again, the Annual D-Dock Oyster Roast! As you know, due to circumstances beyond our control the date has changed to October 26th. We have some additional new items to serve up this year, along with the old classics of fried and steamed oysters (along with Andy's coveted grilled chicken for us non-seafood eaters.) Be sure to remember to bring your best oyster knife, as those never seem to be around when you need them most.

I'm also happy to announce that my famous (read: infamous) Orange Crush will be making a comeback, since it was such a hit last year. They tend to sneak up on you quick, so consider yourself warned!

And to finish us off, we'll be having Brent Small, the one-man-band, performing for us again, who always puts on a good show.

We have a lot planned for you all and look forward to seeing you then!

Please keep in mind that after dinner we are still having the "Adult Halloween Party," so be sure to dress in your costumes if you like.

Kenny

MESSAGE FROM OUR B-DOCK DIRECTOR

Ahoy fellow B-Dockers,

It is hard to believe how fast the summer season has gone by. However, some of the best boating of the year is coming up now with much cooler temperatures and lower humidity. Of course, as we on the coast have become very familiar with...there is another phenomenon that occurs this time of the year...hurricanes!! UGH!! Hopefully, by the time you get this bulletin Dorian will have disappeared on the horizon and we pray the damages will be slight.

On to happier thoughts, on Sunday morning, September 22nd, don't forget the breakfast on the B-Dock T. Bill Weber has been trying to get a seaplane ride for Richard Strickler's birthday following the breakfast, however that is still up in the air...(pardon the pun) due to hail stone damage done to the plane earlier in the year.

The next two functions are sure to be a good time for all and a great way to *slide* into the fall season!!

See ya 'round the dock

Ur humble B dock servant,

Ted

MESSAGE FROM OUR C-DOCK DIRECTOR

I just want to give a shout out to our two outstanding Bull Riders - Dave Teets and Ken Henson. I am not sure how many seconds they stayed on the bull, but they represented C-Dock well. Such a fun event and thank you to all the riders who were so entertaining!

The upcoming fundraiser on September 21st for Smith Point Sea Rescue is such a worthy cause, so please consider a donation as generous as you can manage. We all hope we never need them, but it is a comfort to know they are there if we do.

It's hard to believe the summer is all but gone, but nice to know that the cooler temperatures and the changing of the leaves are just around the corner. Whether you are out on the water or just enjoying the docks, it is a lovely time of year at the marina.

See you at the many events to come.

Happy Fall,

Geri McInerney, C-Dock Director
s/v Failte
