BOATERS SAFE BOATING COURSE - Effective July 1, 2019 all Virginia boater must have taken a Certified Boaters Safe Boating Course and have proof of this while boating in Virginia waters while operating any vessel powered by a motor of at least 10 horsepower. This law makes no distinction of age or experience.

As we start the boating season, we must all renew our commitment for SAFE BOATING.

VESSEL SAFETY CHECKS - The most cautious boaters can sometimes experience unexpected problems on the water. That's why the U.S. Coast Guard recommends that all recreational boaters, including personal watercraft and paddle sport users take advantage of the free Vessel Safety Check Program every year. We have certified Vessel Safety Check Examiners here at Olverson's Marina. Please contact the Marina Office and office personnel will provide you with contact information for getting this free examination. Once you have completed this free 15-minute examination, you will be given a decal that can proudly be displayed on your vessel. Taking a few minutes to have your vessel checked, just may save you from problems this season!

MEMBERSHIP RENEWAL

COMMODORE BARBARA WOODBURN'S CORNER

It looks like we have survived the "Great Heat Wave" of 2019. Over the weekend of July 20-21 it was 100+ and the water temperature in the river was a balmy 91 degrees! I fully expected to see Fred start throwing bags of ice into the pool to cool it off, but we managed without!

A great time was had by all as LCYC celebrated our Nations birthday in a variety of ways, several boats went over to St. Mary's College for the Chesapeake Orchestra and fireworks and were treated to an evening of Star Wars, Batman, Superman and Star Trek music, concluding with a set of patriotic music culminating with the 1812 Overture and fireworks. The culmination of the weekend was of course the fantastic party put on by Bill and Theresa Sullivan (with a lot of help from friends). The meal, the fellowship and above all the fireworks were spectacular. Thank you both for doing this for so many years, you deserve the break you are taking.

LCYC members are finding a variety of ways to get "Our Happy On", the most recent was a Friday evening trip to Good Luck Cellars near Kilmarnock where about 17 folks enjoyed the live music dancing and really nice wines. This was an impromptu event that we look forward to doing again, watch the bulletin board for info.

Two boats made it up to Coles Point for the PRYCA Float In, Thanks Bruce Williamson and Bill Weber and crew for representing us.

When you receive this edition of the Osprey Times 30+ LCYC members will have caravanned to Yesterdays Restaurant in Montross for a LCYC group dinner. A great time was had by all and a huge thanks to Bruce and Danny for hosting us, everything was perfect!

Looking ahead we have the E Dock crab feast coming up in August (did I say August?) and I for one am looking forward to an evening of picking crabs and great LCYC fellowship, E Dock style.

As you can see LCYC is "Getting Their Happy On" all over the Northern Neck, feel free to join in the fun and if you have an idea you want to try out for a different social event for the yacht club please give me a call or stop by B-36.

Be on the lookout for the 2020 Change of Watch flyer and be sure to make your reservations early for a great weekend.

See you around the docks,

Barbara Woodburn
Commodore

Remember: *"without boating, 3/4 of the earth's surface would be WASTED!"*

See ya 'round the dock

Your humble "B" dock director

MESSAGE FROM OUR D-DOCK DIRECTOR

Is it just me or is it hot in here?! The past few weeks have brought some intense weather, and unfortunately some damage to a few of us around the marina. Thankfully, though, we've gotten some reprieve over the recent days and hope that we don't have any popup lightning storms to rain on our parade! Let's hope that this milder weather hangs around until next weekend for the E-Dock Crab Feast.

To all my fellow D-Dockers: be on the lookout for an email from me to start planning our annual D-Dock Oyster Roast in the near future. We have less membership than previous years, but I know we'll all pull together like we always do to make it another great function!

Kenny

MESSAGE FROM OUR E-DOCK DIRECTOR

Mark your calendars August 24th E-Dock Crab Feast. Please respond to evite as soon as possible. Look forward to seeing everyone there! There will an after party event at the pool! It's a per dock event. Get your best two people to ride the bull! They have to stay on it for 8 minutes. It's not as easy as it sounds! There will be a prize given to the dock who wins. HAPPY HOUR

On Saturday August 10th we will have our second happy hour of the season from 5 PM - 7 PM at the clubhouse. In honor of the 50th anniversary of one of the greatest music events in history, our theme is Woodstock! There will be a special drink to mark the occasion as well as beer, wine, soda and water, you just need to bring an appetizer to share, your best memories from 1969, (if you're still able to retrieve them 😊) and your best '60s outfit. Let's dress the part and party to make those who attended Woodstock proud of us.

Your Happy Hour Committee,
Kathi Williams

2019 PRYCA FLOAT-IN

LCYC teamed up with Prince William and Capital to form a coalition that came in third place out of 8 teams in the completion for the cup. It was a great time at Coles Point with 55 boats and 125 people from the 23 member clubs of PRYCA in attendance.

It was a hot weekend, but all had fun.

Below is a message from PRYCA:

Thanks to everyone for joining us at the 2019 Float In! Despite the blistering temperatures, 55 boats and 124 attendees made their way to Coles Point Marina for the event. The new games were a big hit, but my personal favorite part of the weekend was the Friday night mixer on the beach. The Team Potomac theme really shined through and I felt an obligation to personally sample each and every clubs' signature drink...well done everyone!! A big thanks to both Mitchell Mutnick and Bud Bishop for teaching their sessions. Both were great!

We would also like to thank the following for their generous raffle donations: Bayside Marina, Coles Point Marina, Coles Point Tavern, Colonial Yacht Club, Columbia Island Marina, Corinthian Yacht Club, Flying Circus Aerodrome, Joe & Gail Livingston, Old Dominion Boat Club, Olverson's Lodge Creek Marina, Salty Stitches Marine Designs & Fabrication, Tim's at Coles Point Restaurant and West Marine.

Now, on to the games results! Thanks to all the team members who bravely took on the new games. You didn't need a stopwatch to see that Landmark YC totally nailed the River Rat Relay! The chaos of Feeding Frenzy was exactly what we were looking for, but don't get too comfortable; we'll be sure to add another twist to the game for next year!

The 2019 cup goes to Fairfax Yacht Club, with Occoquan Yacht Club securing 2nd place, and Prince William & Crew (the coalition of Prince William, Capital and Lodge Creek Yacht Clubs) achieving 3rd place, proving that coalitions can compete admirably. All eight teams put forth a valiant effort. TO TEAM POTOMAC!
