BOATERS SAFE BOATING COURSE - Effective July 1, 2019 all Virginia boater must have taken a Certified Boaters Safe Boating Course and have proof of this while boating in Virginia waters while operating any vessel powered by a motor of at least 10 horsepower. This law makes no distinction of age or experience.

As we start the boating season, we must all renew our commitment for SAFE BOATING.

VESSEL SAFETY CHECKS - The most cautious boaters can sometimes experience unexpected problems on the water. That's why the U.S. Coast Guard recommends that all recreational boaters, including personal watercraft and paddle sport users take advantage of the free Vessel Safety Check Program every year. We have certified Vessel Safety Check Examiners here at Olverson's Marina. Please contact the Marina Office and office personnel will provide you with contact information for getting this free examination. Once you have completed this free 15-minute examination, you will be given a decal that can proudly be displayed on your vessel. Taking a few minutes to have your vessel checked, just may save you from problems this season!

MEMBERSHIP RENEWAL

COMMODORE BARBARA WOODBURN'S CORNER

Happy Fall LCYC! You wouldn't know it from the temperature's this week, calling for 96 degrees! This may be the last taste of summer so get out and enjoy it.

September 21st was a pot luck fundraiser for Smith Point Sea Rescue sponsored by the Yacht Club and Olversons Marina. Let me be the first to say WOW and Thank You to all who attended the event. As usual the food was plentiful and varied, fellowship wonderful but each of you really came through in supporting SPSR. The last dollar number I have from Charles Williams, Treasurer, is an impressive \$2,373.00 that was collected for the SPSR Team. Thank you so much for supporting this worthy organization, a group of volunteers you hope you never need, but a comfort knowing that when you pick up the radio or phone help is on the way. Skip Campbell, SPSR, personally reached out to me to express his thanks for all that Lodge Creek Yacht Club to put on this event. Again, Thanks to each of you!

COW update! I have renegotiated the hotel rate for COW weekend. The new rate is \$115.00, a savings of \$14.00 per night. Reservations are already coming in for the event so please get your reservations in early to help in planning. I know some folks from Richmond are coming by train to avoid the traffic and with the train station across the street it could not be easier. I am looking forward to seeing everyone in Old Town for the 2020 Change of Watch! **Register by December 15 to be eligible for 1 night free stay!**

A big thank you to Steve Thompson and members of the Nominating Committee for putting forth a full slate for the 2020 Bridge. For the first time in a while we will have an A-Dock Director. Also thanks to each of the incoming Bridge members for stepping up and volunteering to run the Yacht Club. This is a great incoming Bridge with big plans for next year.

Next up on the calendar is the D-Dock Oyster function and our adult Halloween Party on October 26th! I am sure this will be an event not to be missed so be sure and respond to the Evite you have received in your inbox. I can't wait to see the costumes! Check out the flyer in this month's "Osprey Times".

Whether fishing, cruising or just hanging out on the "T", enjoy this fantastic time of year. See you around the marina!

MESSAGE FROM OUR VICE COMMODORE JAY NOVAK

As the 2019 season is winding down, it is time to start looking ahead to the next chapter of the Lodge Creek Yacht Club. I want to thank Steve Thompson for chairing the Nominating Committee, and especially, for nominating myself for the position of Commodore next year. It would be an honor and a pleasure to serve this wonderful Club. I would also like to thank the Nominating Committee for surrounding the proposed Commodore with an excellent Bridge. All of these folks have been very active in the Club and many have already served on several different Bridges in the past. Please show your support by approving all of the Committee's nominations at the October 26th function. Unfortunately, I will not be able to attend the final function due to a pre-scheduled father/son campout, but I have cleared my 2020 schedule and look forward to a great year ahead. Finally, I would like to thank our Commodore, Barb Woodburn, for all of her leadership with the Club this year. I know she has put a lot of time and effort into making sure 2019 was a complete success. So if you get a chance at the last function, be sure to say "Thanks" for a job well done. Don't have too much fun without me and I hope to see you at Change of Watch.

MESSAGE FROM OUR D-DOCK DIRECTOR

We're only a few weeks away from the D-Dock Oyster Roast, and we're gearing up to make it one of our best ever. It looks like we have much better luck sourcing our oysters now that we're in the month of October (who would've thought?!) and should be all set for October 26th. As a reminder, we'll be having an "adult" Halloween costume contest, with a door prize for best costume. So don't forget to bring your best costume, and of, course, your favorite oyster knife!

It's that time of year again, the Annual D-Dock Oyster Roast! As you know, due to circumstances beyond our control the date has changed to October 26th. We have some additional new items to serve up this year, along with the old classics of fried and steamed oysters (along with Andy's coveted grilled chicken for us non-seafood eaters.)

I'm also happy to announce that my famous (read: infamous) Orange Crush will be making a comeback, since it was such a hit last year. They tend to sneak up on you quick, so consider yourself warned!

And to finish us off, we'll be having Brent Small, the one-man-band, performing for us again, who always puts on a good show.

We have a lot planned for you all and look forward to seeing you then!

Kenny

MESSAGE FROM OUR B-DOCK DIRECTOR

Greetings Fellow B-Dockers,

Just a reminder that D-Dock Function (OYSTERS) is fast coming and will be on Saturday, October 26th at the clubhouse. This one is always a favorite that you do not want to miss. So mark it on your calendars!

Don't forget breakfast on our T following the function. The days are getting shorter...ugh!... and although the warm weather has been hanging on, we know cooler weather is on the way. We'll hope it will hold for ONE MORE BREAKFAST. Right!!?

See y'all there.

Ted
